

MISSISSIPPI BLUES MARATHON TRANSFER FAQs

Why should I run a Rock 'n' Roll Marathon Series race?

We're glad you asked. It's all about the Miles, the Moments, the Medals and the Music!

We know you like to be entertained by music before, after and throughout your run and Rock 'n' Roll races will put some pep in your step from start to stop. With live bands along the race course and a headliner concert at each finish festival, you'll be amped while you crush your goals in any one of the incredible, scenic cities on our Tour Stops.

You'll get incredible swag, like one of a kind finisher medals, participant t-shirts and for marathoners, a limited edition Finisher's Jacket.

Plus, this year we're celebrating our 20th year running with special celebrations at each race in 2017.

I'm already registered for a Rock 'n' Roll Marathon Series race. Can I get a refund and use my complimentary entry instead?

Can I give this complimentary entry to a friend or family member?

Why is participation in Rock 'n' Roll New Orleans Marathon limited for transfers?

While the half marathon distance is not limited, the marathon distance is limited due to capacity and supply restrictions.

How do I know if I was accepted into the race I selected?

Race options will be removed from the survey as the capacity limit is reached, therefore, if you select the race of your preference, hit the submit button and receive an acknowledgement of your submission, your selection has been successful. The Rock 'n' Roll Marathon Series will be in contact with all transferring participants via email on 1/26, after the survey period has ended, with further details regarding your transfer.

How will you complete my transfer?

After the survey period ends on 1/24 all verified participants will be emailed a unique redemption code that can be redeemed at runrocknroll.com/event-name/register, where 'event-name' is the location of the race.

What if I want to participate in another Rock 'n' Roll Marathon Series event that isn't offered in the survey?
